ROBUST, DEPENDABLE AND VERSATILE

Underneath Triton's bold contemporary stylings is a rigid ladder frame chassis. Whether you're driving on the highway or finding your own way the suspension and chassis delivers optimum performance. Up front, the double wishbones with coil springs and stabilizer bar deliver poise and responsiveness, while the rugged above-the-axle leaf spring rear suspension gives outstanding load-carrying capacity.

MAKE LIGHT WORK OF HEAVY LOADS

The Triton GL features a spacious load bed measuring 1520mm in length, 1470mm in width and 475mm in depth. The single handle on the tailgate allows for one-handed operation and the four integrated cargo hooks allow for all types of loads to be secured with ease. Triton's impressive power and torque mean big loads are no big deal.

WIDE OPEN SPACE

Carry five adults in comfort in the Mitsubishi Triton GL. Rear seat passengers are well catered for in the spacious cabin, with generous leg room and a reclined seatback angle allowing ample, head and shoulder room.

Manufacturer's Warranty: 3 year / 100 000km. Road Side Assistance: 5 year Unlimited Mileage. Service Plan: 5 year / 90 000km. Service Intervals: Every 10 000km.
